THE R-LESS SEASON.

This is the season of the year in which one letter don't appear. And if we eat an oyster now it's pretty hard to tell just how our health will be affected; so, we'd better let the oyster go until it will not cause a jaundice to eat on oyster with an R.

—New York World.

James Collopy is now head engineer of a brand new bus plying between this city and Maysville.

Beechwood Park is being put in shape for the opening of this popular resort on Monday, June 21st.

Councilman T. M. Russell is contemplating the erection of a modern, up-to-date two-story brick dwelling on the site of his present cozy cottage home in East Third street.

Popularity makes a good trimming but an exceedingly poor wardrobe.

Marriage consists of some splendid moments and a good many tedious hours.

William M. Peed, father of Colonel Dan Peed of Paris, is dead at his home in Montgomery county, aged 80.

Pure Paris Green for potato bugs and tobacco worms at Sallie Wood's Drugstore.

Mrs. Martha McCune, aged 65, is dead at her home at Carlisle, after a lingering illness.

The Virginia Pilot, published at Norfolk, Va., claims to have found 777 different kinds of Democrats.

The special school tax levy, made in many counties in the State under the new school law, must be collected in the same manner as any of the other county taxes, says Attorney-General James Breathitt in an opinion just given to State Superintendent of Public Instruction Crabbe.

Pearl Tume, a well known Carlisle salesman, was the most surprised man in Kentucky Thursday night. He wondered why a cigar, which had been expressed to him, would not draw, and upon investigation found a hand-some diamond weighing two carats and worth over \$300, firmly embedded in the "filler." The only theory Mr. Tume has to the ownership of the jewel is that it was dropped into the tobacco by a packer before the cigar was made. All the cigar dealers in Carlisle had big sales the day following the find.—Carlisle Mercury.

There's a Reason!

Why Mike Brown is selling so many Buggies, and the reason is that he sells the best Buggies made, tells the truth about them and stands behind and makes good all he promises. His motto is a

"SQUARE DEAL!"

Ever stop to analyze that motto? There's lots in it. Besides good Buggies, he sells a world of other stuff. He caters especially to the Farmer, and begs to call your attention, Mr. Farmer, to the following list. Look it over. Maybe there is something you are needing now:

Sheep Shearing Machine.
Sheep Shears.
Screens for Doors and Windows.
Buckeye Cultivators.

Mr. Earl W. Carr of Huntington, W. Va., has resigned his position with the Martin-Miller Grocery Company, to accept a position as bookkeeper and stenographer with the Southern Bell Telephone and Telegraph Company of that city.

Last night 800 were interested auditors at the performance given on board the beautiful floating theater, "Cotton Blossom." The program was long and quite varied, and from the tumultuous applause it seemed to please. It was a clean program, and the management do what many of these shows do not try today, i. e., cater to the amusement wants of the people. When "Cotton Blossom" blooms here again next season it is assured a crowd.

NOTICE TO ALUMNI.

Invitations to the banquet will be ready for distribution Saturday. All those who contemplate attending, and have not yet paid the dues, must hand in their name and money to Miss Nellie Greenlee, Treasurer, not later than Friday evening, June 11th. Graduates are urged to join the Association at once and be present at the first annual banquet.

George L. Street of Richmond, Va., was elected Imperial Potentate by the Council at Louisville.

The name of Miss Mary V. Crawford was unintentionally omitted from the list of those who made an average of 97% in Miss Gordon's Training School. Miss Crawford's standing in deportment was always exceptionally high.

PERIODS OF SERVICE

Splendid Record of Two Officials of Bank of Maysville

Cashier R. K. Hoeflich of the Bank of Maysville, who has just returned from a month's rest, spent mostly at Clifton Springs, N. Y., has been connected with that Bank for a period of forty years, and is one of the most capable and conservative Banking officials in the entire State. His strict attention to the minutest details of his responsible position has done much toward bringing the Bank of Maysville to its present high standing among financial institutions.

Hon. J. Foster Barbour, President of the Bank, has also "grown up with the business," having been connected with the Bank for forty-seven years, today occupying the most honorable office of President.

To both of these gentlemen THE LEDGER extends its best wishes, with the hope that they will be found doing business at the Bank for many years to come.

WONDER if Marse HENRY thinks a Shriner can be a Republican?

A MAN can eat onions and still find some one to love him, declares a wise guy, but a woman can't.

IN spite of Marse HENRY's wicked tirades, the country's going dry and the South is fast drifting to Protection.

MORE than half of the Democratic Senators and Representatives are Protectionists as far as concerns their own State or District.

THE Park Commission of Chicago is arranging a baseball diamond as the exclusive feature of a new park for children shortly to be opened.

THE divine afflatus ought to be located somewhere about "Sacred Wind," Lawrence county, Ky., where Lewis F. Boggs has been appointed Postmaster.

SENATOR ISADOR RAYNOR of Maryland says "this country is full of Tariff liars." He has probably been reading the free trade newspapers and some of OLLIE JAMES' mouthings.

DURING the present theatrical season more than three hundred plays by American authors have been read in FREDERIC THOMPSON's office. Out of the whole list only five were adjudged worthy of production, and these will be presented initially during the months of September and October this coming fall.

It is said that President TAFT is getting ready to hand Boss ALDRICH a lemon.

SENATOR BAILEY is an extreme Protectionist when it comes to protecting his own hide.

SOME girls would rather marry a mere man than cherish an ideal for the rest of their days.

THE tsetse fly has probably made a thorough test of the cuticle of one T. ROOSEVELT, the great American hunter.

"BWANA TUMBO," the name given to Mr. ROOSEVELT by the African natives, literally translated, means Mister Belly. Presumably the natives have no words corresponding to Mister Chesty.—Kansas City Journal.

WHEN informed that works of art had been put in the free list in the Tariff Bill, a prominent sculptor in Washington is reported to have remarked: "We will now be able to get our work done in France and Italy cheaper and better than we can get it done in this country."

In connection with the time being consumed in Tariff talk it will be interesting to note the passage of previous bills as follows:

Tariff of 1824	4 1/2 months
Tariff of 1828	6 "
Tariff of 1842	5 "
Tariff of 1846	3 1/2 "
Tariff of 1857	6 "
Morrill Tariff	11 "
McKinley Tariff	5 1/2 "
Wilson Tariff	8 "
Dingley Tariff	5 "

THAT MIGHT MAKE HER GO.

"John, the cook smokes cigars."
"Well, let her. She's a good cook."
"Can't you make her stop?"
"Possibly I can. I might give her the last box of cigars you bought me."

Harry L. Logan, a New York office boy, who stole \$600 and lost the money playing the races at Louisville and Latonia, is in Jail at Covington and will be taken back.

NO SUNDAY EXCURSION

Train Out of Cincinnati on C. and O.
—Discontinuance a Mystery

Here's another one like "How old was Ann"? There is no morning excursion train from Cincinnati Eastward on Sunday, says The Portsmouth Blade. The C. and O. train goes to Cincinnati in the morning and back in the evening.

This is quite a disappointment to city residents who would like to see their rural friends on Sunday. Besides, it would afford hundreds of people in the hot city an opportunity to get a brief outing in the country towns along the river.

It is strange the C. and O. withdrew their Sunday Eastward excursions, as they were great money makers, too.

He says the State has spent \$160,000 to suppress lawlessness by keeping soldiers on guard in tobacco districts.

The Fountain Head of Life
Is The Stomach

A man who has a weak and impaired stomach and who does not properly digest his food will soon find that his blood has become weak and impoverished, and that his whole body is improperly and insufficiently nourished.

Dr. PIERCE'S GOLDEN MEDICAL DISCOVERY makes the stomach strong, promotes the flow of digestive juices, restores the lost appetite, makes assimilation perfect, invigorates the liver and purifies and enriches the blood. It is the great blood-maker, flesh-builder and restorative nerve tonic. It makes men strong in body, active in mind and cool in judgement.

This "Discovery" is a pure, glyceric extract of American medical roots, absolutely free from alcohol and all injurious, habit-forming drugs. All its ingredients are printed on its wrappers. It has no relationship with secret nostrums. Its every ingredient is endorsed by the leaders in all the schools of medicine. Don't accept a secret nostrum as a substitute for this time-proven remedy of known composition. Ask your neighbors. They must know of many cures made by it during past 40 years, right in your own neighborhood. World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

Home-Grown Strawberries

Now coming. My supplies will come direct from the growers by express and will be on sale here on same days they are picked. Will be sold WHOLESALE and RETAIL in full-size cups just as they come from the patches and will be as heretofore—the best that come to this market. The long-protracted drought last year killed out many of the patches and the crop will be short, and my advice to those who want berries is to not put off securing what they may want. I am expecting some very fine berries, so place your orders with me and I will guarantee satisfaction.

My supplies of vegetables are now principally HOME GROWN and I am in position to at all times furnish the best and the freshest.

Flour is still booming. This week I am going to offer the Famous

LeBUS WON'T LET GO

Will Draw \$10,000 Tobacco Money Salary—Pool May Yet Go Through

WINCHESTER, KY., June 9th.—A satisfactory settlement between the District Board and President Clarence LeBus of the Burley Tobacco Society, in fixing Mr. LeBus' salary, was effected here tonight by the Board after an all day's session, practically devoted entirely to discussing the salary proposition, and Mr. LeBus will continue at the head of the organization. A few minor details are yet to be completed and until this is done the compensation Mr. LeBus will receive will not be given out for publication.

The pledge drafted at the January meeting for the pooling of the crop for the present year will be changed a little and a revised copy will be given out later. The pledge is being prepared to profit from the experiences of the past.

Judging from the reports received at the meeting a feeling prevails among the members that a strong pool will be formed and that 90% of the crop grown in 1909 will be represented in it.

Heavy rains last night and the tobacco crop is practically "all in."

EAST LIMESTONE.

Mr. and Mrs. Charles Galbreath have the sincere sympathy of the entire community in the loss of their 20-months-old daughter, Edith, their only child, whose death occurred a few days ago with cholera infantum, after a few days illness, it being their third child they have lost at a tender age. The remains were taken to Ellisburg, Nicholas county, where interment took place.

FEARIS.

Everybody busy.
Items scarce as hen teeth.
Alva West was up from the city Sunday visiting his mother.

August 13th and 14th are dates set for the G. A. R. Reunion on Mower Park.

East Fork Cemetery had three Decoration Days, Saturday, Sunday and Monday.

E. B. Fearis and new wife went to the city Sunday, where Mr. Fearis has a position.

There certainly will be a fine blackberry crop from the prolific bloom on the bushes.

The grass, meadows, rye, oats, wheat and gardens all look fine about here and promise full crops.

The farmers set considerable tobacco last week. A few of them finished. The cut worms are reported very bad.

Colonel Hillis of Cove Dale attended the G. A. R. meeting here Saturday and visited some of his old sick comrades Sunday.

R. C. McNeil of Manchester and C. C. Degman of Springdale took time to visit and take part in the G. A. R. meeting here Saturday.

Campmeeting on Mower Park will come off in July, and a basket meeting will be conducted by Elders Hall and Degman Sunday following the G. A. R. Reunion.

At the regular meeting of the G. A. R. on the Campgrounds Saturday Dr. William Bowman was elected President of the Reunion Association, C. C. Degman, Vice President, and A. S. Cole, Secretary and Treasurer.

Robert R. Himes, an ex-soldier of Company G, Tenth Kentucky Cavalry, died Monday, the 7 inst., at 12 m. He was ill only from Wednesday to Monday and seemed to suffer from paralysis. He was 76 years and 10 months old. Funeral service conducted by Croxton Post G. A. R. Interment in the Wilson graveyard Tuesday.

There was not much of a turn-out Decoration Day at East Fork by reason of the 30th being on Sunday and farmers all busy. It seems the people are losing interest in Decoration Day, anyway, unless there is some money in it some way. It's a shame to a civilized and independent Government that many of its people have to be paid to be patriotic.

Mr. D. T. Faris, aged about 74, died near Tilton Monday.

Mr. B. C. Hopper is the new Postmaster at Moorefield, Nicholas county.

At Flemingsburg the past week a marriage license was granted to James R. Baty, aged 21, and Miss Emma Dowdy, aged 15.

Whisky is whisky if it is made from grain. If it is made from potatoes, apple peels, corn stalks, chips or any other thing, it is not whisky. This is the gist of opinion of Lloyd Boyer, Solicitor General of the Department of Justice at Washington.

ONLY ONE.

The Record in Maysville is a Unique One.

If the reader has a "bad back" or any kidney ill and is looking for relief and cure, better depend on the only remedy endorsed by people you know. Doan's Kidney Pills relieve quickly—cure permanently. Maysville citizens testify to this. Here is a case of it:

Mrs. Nathan A. Hafer, Maysville, Ky., says:

"My opinion of Doan's Kidney Pills is so high that I have not the least hesitation in publicly recommending them. For ten years I was bothered by backache, during which time I tried various remedies without obtaining beneficial results. There was a constant, dull ache across my back, often accompanied by sharp rheumatic twinges throughout my body. I was also subject to nervous headaches and dizzy spells, and on arising in the morning felt very tired. My husband advised me to give Doan's Kidney Pills a trial, and I procured a box at J. J. Wood & Son's Drugstore. They proved very beneficial in my case and in a short time cured me."

For sale by all dealers. Price 50 cents Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

"You have such nice stores in Maysville, so much nicer than we have at home."

"Home" was a city a third larger than Maysville. The remark, a spontaneous tribute to the effective and tasteful display of nice merchandise in the show-windows of several of our most prominent and successful merchants.

The group, with the discriminating stranger, passed on, as others paused to admire and express their preferences.

Those silent salesmen in the window were reaching out after the shoppers of the morrow in their most receptive mood, getting business for the Boss, and reflecting credit on his store and town.

A Refreshing Subject

Soda Water is purely the American drink and is an ideal beverage. It is the one drink that is everything a drink should be: Cooling, refreshing and healthful—with not a bit of harm in it.

We are talking of good Soda now—of Soda as good as it can be—such as we make. The making of such Soda requires proper apparatus, knowledge, skill and conscience.

Our Soda is better than others because we have never spared the time or expense necessary to make it better.
